Descriptif

On your way, the old mills and silk weavers' workshops bear witness to the richness of the valley, which once welcomed many workers.
The viewpoints on the Eyrieux are numerous and allow for beautiful contemplative pauses. Below the greenway, the calm waters of the river are an invitation to stop. Pont-de-Chervil is an ideal place for a refreshing moment halfway through the stage. You can walk further and further into the Eyrieux gorges, in the heart of an environment that sparkles with green and orange in the autumn, because here the chestnut tree is king.
