Descriptif

Five viaducts, two bridges and three tunnels later, the landscapes of the Boutières and the Monts d'Ardèche, with the Mont Gerbier de Jonc and the Mont Mézenc in the background, await you. A nice reward before arriving at the pass and crossing the mountain by the Nonières tunnel, the longest of the Dolce Via with its 320 metres (lit!). You can then peacefully drive the remaining 12 km to Lamastre on almost freewheels. Here, a mythical steam train awaits you for an incomparable discovery of the Gorges du Doux to Tournon-Saint-Jean and ViaRhôna.
